Re: **Price Increase Announcement-Gypsum Board Products**
Effective Markets: All U.S. and Export

In response to your requests to provide price information for 2018, this is to advise that CertainTeed Gypsum will increase price effective with shipments on **January 2, 2018** as follows:

- **All Regular and Easi-lite ¼", ⅜", ½" products – 15%**
- **All other products – 20%**

Since we expect further cost increases during the year to include energy and its impact on all materials as well as freight we will implement a subsequent increase on **July 2, 2018**, with amount to follow.

Should you have any questions please contact your territory manager or regional manager.

We thank you for your business and continued support of CertainTeed Gypsum.

Sincerely yours,
