Price Increase Announcement

To our Valued Customers:

Due to the escalating steel costs and the continued nervous market, Eastern Metal Building Products will be raising our prices for our EB Metal products by 10% effective September 3rd.

Eastern Metal will honor all quotations in place and all outstanding quotes must be confirmed within 30 days of issuance. Please review any open job commitments with your customers.

We appreciate your support and look forward to providing the best service and market price possible.

Sincerely,

J Ryan Filion  
President
